The Ascension of the Lord is on Thursday and is a Holyday; Masses will be here at **HAM at 9.30am, St Alban's at 12 Noon and St Joseph's at 6.30pm.**

Live Simply - As part of our #livesimply plan to save waste we are printing newsletters for those who are not online. This has reduced the number printed each week from 240 before Covid to 40 recently. As more people are returning to church and home deliveries are reducing this will be increased but please only take a newsletter if you do not receive one by email. Please email ham.parishadmn@gmail.com to be added to the email list. Thank you.

Car Idling Campaign – The Our Common Home group is working with local schools to monitor the air quality and to stop car idling by informing shops, local residents and businesses of the problems it causes. We are asking all drivers to switch their engine off when stationary to avoid air pollution. We have been asking them to switch their engine off when waiting at the kerb side, when making a delivery or picking up passengers, not to leave the engine on in bad weather or when charging their phones. Perhaps we could all consider walking for short journeys or walking to church, if that is possible, rather than using the car.

Congratulations to all our 44 young people who have received their **First Holy Communion** over these last couple of weekends, please remember to keep them in your prayers. Please also pray for **Phil Cuthbert** who will be received into the Church at the 9.30am Mass this weekend.

CAFOD Climate Appeal: Reclaim Our Common Home - This year, the UK will host the largest gathering of world leaders ever to take place on British soil: the 'COP26' climate talks. As Prime Minister, Boris Johnson must push world leaders to show the ambition we need to keep temperature rises below the disastrous 1.5 degree threshold. This means that all countries must play their part. Wealthy nations, who bear the greatest responsibility for the crisis, need to step up. With the eyes of the world on the UK, we must urge the Prime Minister to make sure communities hardest hit by the climate emergency are listened to at COP26. Please sign to [Urge the Prime Minister to put people hardest hit at the heart of COP26 climate talks | CAFOD \(e-activist.com\)](https://www.cafod.org.uk/campaigns/2021/05/urge-the-prime-minister-to-put-people-hardest-hit-at-the-heart-of-cop26-climate-talks) There are cards in church for those not online. Please take them to those not in church. If you have already signed, try to get 2 more to sign. You can also use the QR code on the poster or petition card.
