**Holy Day** – Tuesday is one of our Parish Feast Days as we celebrate Ss Peter and Paul. Masses in our church will be at **9.30am and 6.45pm**, and at St Albans at 12 Noon and St Joseph's at 6.30pm (Vigil on Monday).

---

**Live Simply** - As part of our #livesimply plan to save waste we are printing newsletters for those who are not online. This has reduced the number printed each week from 240 before Covid to 50 recently. As more people are returning to church and home deliveries are reducing this will be increased but please only take a newsletter if you do not receive one by email. Please email [ham.parishadmn@gmail.com](mailto:ham.parishadmn@gmail.com) to be added to the email list. Thank you.

---

**Car Idling Campaign** – Having seen how poor the air quality is locally we have written to inform our neighbours. Let us continue with our commitment to improving air quality by walking whenever possible and not leaving a car idling. For more information [Reducing and avoiding air pollution | Let's Clear The Air Liverpool](https://www.letsclreartheairlcr.co.uk) ([letsclreartheairlcr.co.uk](https://www.letsclreartheairlcr.co.uk))

**Our Common Home MP Meeting** - It was good to hear of Angela Eagle's long-term involvement in climate issues, and she endorsed the Reclaim Our Common Home petition to the Prime Minister and our government. Please do sign this petition! Cards and links are at the back of church. Please pray for climate justice. She agreed to write to Alok Sharma MP, the President for COP26, and Matt Hancock MP the Health secretary to urge the government to ensure robust plans for vaccinating delegates are put in place and present our concerns that any plans to make elements of COP digital will entail access issues. She was also shocked by the poor air quality we had found in Wallasey Village and will take our findings to Wirral Council and ask them what they will do to address the issue.

---

**Martyrs Garden update** - Work has started this week to create the new beds, walls and improve the drainage at the side of the church. Please take a look. It will take another week to complete and then we'll be asking for donations for pollinator friendly plants, with red or white flowers, to fill this area. The hard landscaping is kindly funded by a grant from Liverpool City Region Environment Fund. Please see the parish website for more information [Church Garden Project Holy Apostles and Martyrs Parish Catholic Parish Church in Wallasey, Wirral. Part of the Diocese of Shrewsbury](#)
