GREAT NEWS – we have been successful with our National Lottery Heritage Fund application and been awarded a grant of **£502 500** towards the cost of the first phase works of the parish project which means that we will be able to have the roofs replaced (no more buckets!) and better insulation, upgraded heating system, additional WC etc. This is wonderful news and will maintain the church for many years to come and extend access to its heritage. Huge congratulations to Tony Mossman and the project team who have worked so hard and put in so many hours over the last few years to enable us to submit the successful application. Many thanks, of course, to the Heritage Fund for awarding us this grant. Thanks also to all the volunteers who have helped in the events so far and who have volunteered for future events.

Many thanks and may God bless you all, Fr Phil x.

VCT Covenant Service will take place at Wallasey Village URC church next **Sunday, 18 July, at 4.00 pm**. Since Covid rules still apply, we are limited to 10 attendees from each church, but a couple or household counts as one. Will anyone wishing to attend please give their names, a contact number, and the number in their bubble, to Frank Nance, 07711 017 968, fnance@btinternet.com before noon on Wednesday. It would be nice if we were well represented.

Our Common Home MP Meeting - Angela Eagle endorsed the Reclaim Our Common Home petition to the Prime Minister and our government. **Please do sign this petition!** She was also shocked by the poor air quality we had found in Wallasey Village and will take our findings to Wirral Council and ask them what they will do to address the issue.
