Coming out of lockdown – following the Bishops Conference guidance we have been asked to adopt a gradual and cautious approach to lifting the restrictions and that care is taken to ensure that churches continue to be places where people feel safe to gather to worship.

Following these principles please note the following;

We ask that people continue to use the **hand sanitiser** provided at entrance and exit of Church and continue to wear face coverings which is **strongly recommended** in the guidance.

QR Code posters remain on display for track & trace.

We **stand and sit** again as normal at Mass, if you kneel please ensure that there is nobody sitting directly in front of you.

As far as possible we will try and **keep social distancing** throughout Church over these summer weeks, however there will be a **designated area** behind the organ where seating will continue to be socially distanced for the time being.

Entrance/Exit doors will continue to be opened to provide **ventilation**.

Stewards will remain for **weekend Masses only**.

Bidding prayers will resume at all Sunday Masses.

Fr Phil will stand outside to see people after Mass.

Communion will continue under **one kind only**.

Traidcraft stall is now reopened.

Open Day on Saturday 21st August – at the new **Wirral St Vincent's Centre** at 15-19 Grange Road West, Birkenhead. This is a brand new SVP venture offering support of many kinds to anyone in Wirral. Come along between 10.30 and 12.30 for tea, coffee and cake and to find out all about this exciting new Centre. You may even wish to join our band of volunteers. The SVP will be partnered by the Wirral Foodbank and the CAB. Just come along (there's a car park nearby) but if you need more information, phone Kevin on 07917 922207 or email kevinh@svp.org.uk
